Mansell.

Maximillian Mansell calls William Simmons, brother.  
Surry Bk. 3, p. 51.

Since the name Mansell is used as a middle name in the Simmons family as late as 17 , it is certain Elizabeth was the sister of Max. Mansell and accounts for his calling William Simmons his brother and the inference is they were the children of David Mansell.

David Mansell is undoubtedly the father of above. There is no other Mansell in the records, who might have been. His land grants, headed James City, from their descriptions were principally in the section which can be identified as the part of the county, which became Surry.

He served in the House of Burgesses: 1639/40, 1652.

Journals of the House of Burgesses  
1619-58, p. XV, XX.

(It is suggested here, that probably the name was Mansfield. However, the name is written in the land books, Mansell and appears as a middle name in the Simmons family, quite late and spelled Mansell)
